Education

Undergraduate

Expected Graduation: August 2025

BSc in Computer Science

The Academic College of Tel Aviv-Yafo

Skills

- C
- TypeScript
- C++
- JavaScript
- C#
- HTML
- Linux
- CSS
- Python

Language

Hebrew - Native

English - Fluent

Spanish - Intermediate

Daniel Omesi

Computer Science Student

As an enthusiastic computer science student progressing through my academic journey, I am eagerly seeking my first professional opportunity to apply my skills and knowledge to real-world challenges. I am committed to putting in the hard work and dedication required to excel in a professional environment, continuously striving for personal growth and development.

Notable Grades

GPA: 82

Data Structures - 80

Object Oriented Programming and C++ - 82

Object Oriented Programming in .NET Environment and C# - 89

Applicative Programming using Design Patterns - 90

Intro to Development in Linux Environment - 91

Machine Learning with Python - 95

Introduction to Logic and Set Theory - 88

Introduction to Computer Science - 89

Advanced Programming in C Language - 88

Notable Projects on GitHub

- Linux-based project in C++ leveraging flight data APIs for comprehensive flight information visualization
- WinForms app integrating Facebook API for data presentation
- Object Oriented Garage Management System developed in C#
- Console/Desktop Application of the classic game Tic Tac Toe in C#
- Console-based Object Oriented Social Network implemented in C++
- Customized menu console interface creation in C#
- Leetcode exercises in C, C++ and Python

Experience

○ **2022 - Now**
Bug Multi-System

Salesperson

During my time as a salesperson in a tech retail environment, I had the opportunity to cultivate and refine my interpersonal skills, building meaningful connections with customers and understanding their unique needs. This experience allowed me to develop a deep understanding of the ever-evolving tech landscape, enabling me to provide informed advice and recommendations that matched customers' requirements with suitable solutions.

○ **2021- 2022**
Or Vaezer

Vaccinator

Being a vaccinator during the COVID-19 vaccination campaign provided me with the opportunity to actively contribute to the health and safety of my community.

○ **2017 - 2020**
Israel Defence Forces

Combat Soldier

During my service in the IDF as a troop in the combat unit Givati, I actively participated in various missions and critical operations. Additionally, serving as a combat medic, I provided vital medical assistance to my surroundings.
